I agree to the Terms of Service, consent to the collection of mandatory personal information, and consent to the collection of optional personal information of IRIS system.

Terms of Use

Chapter 1 General Provisions

Article 1 (Purpose)

This Terms of Service (hereinafter referred to as "Terms") aims to regulate the conditions and procedures for joining and using all services (hereinafter referred to as "Services") provided by the Comprehensive Departmental Research Support System (hereinafter referred to as "IRIS").

Article 2 (Effect and Amendment of the Terms)

1. If you agree to the content of these Terms, these Terms will take precedence in the provision of IRIS's services and your use of the services.
2. IRIS may amend these Terms without prior notice, and the amended Terms will come into effect immediately upon being posted within IRIS or notified to members via mobile phone text messages (including long messages) or email. If users do not agree to the amended Terms, they have the option to cancel their membership, and continued use of the services will be considered as consent to the amended Terms.

Article 3 (Supplementary Rules outside the Terms)

1. These Terms are applicable together with specific regulations for the use of IRIS provided separately.
2. Matters not specified in these Terms will be governed by the provisions of the "Telecommunications Basic Act," the "Telecommunications Business Act," regulations from the Information and Communication Ethics Committee, information and communication ethics guidelines, the "Program Protection Act," and other related laws and regulations.

Article 4 (Definitions)

The definitions of the terms used in these Terms are as follows:

1. User: A person who receives services provided by IRIS in accordance with these Terms.
2. Membership: The act of completing a service usage contract by filling in the information required in the application form provided by IRIS and agreeing to these Terms.
3. Member: A user who agrees to these Terms and has registered with IRIS.
4. Researcher Member: A membership provided to the members of IRIS and has received a National Researcher Number (formerly known as the Scientist and Technologist Number).
